# Who We Are

At TASK Engineering Solutions, we believe that engineering is not just about systems - it's about impact. Founded as the project arm of Vishwa Consultants & Associates (est. 2007), we are now a trusted name in delivering MEP services and water management solutions under one smart, efficient roof.

We combine technical depth, sustainable thinking, and executional excellence to build next-gen infrastructure solutions for water, sewage, and industrial treatment projects.

“Every drop matters, every project impacts.”

We are passionate about building sustainable engineering systems that serve people, cities, industries and the planet.

### Our Mission

To deliver smart, scalable, and sustainable engineering solutions through innovation, excellence, and total client commitment.

### Our Vision

To be recognized as India’s most reliable and future-focused engineering partner in MEP & Water Infrastructure.

## Core Services

### **MEP Projects & Contracting**

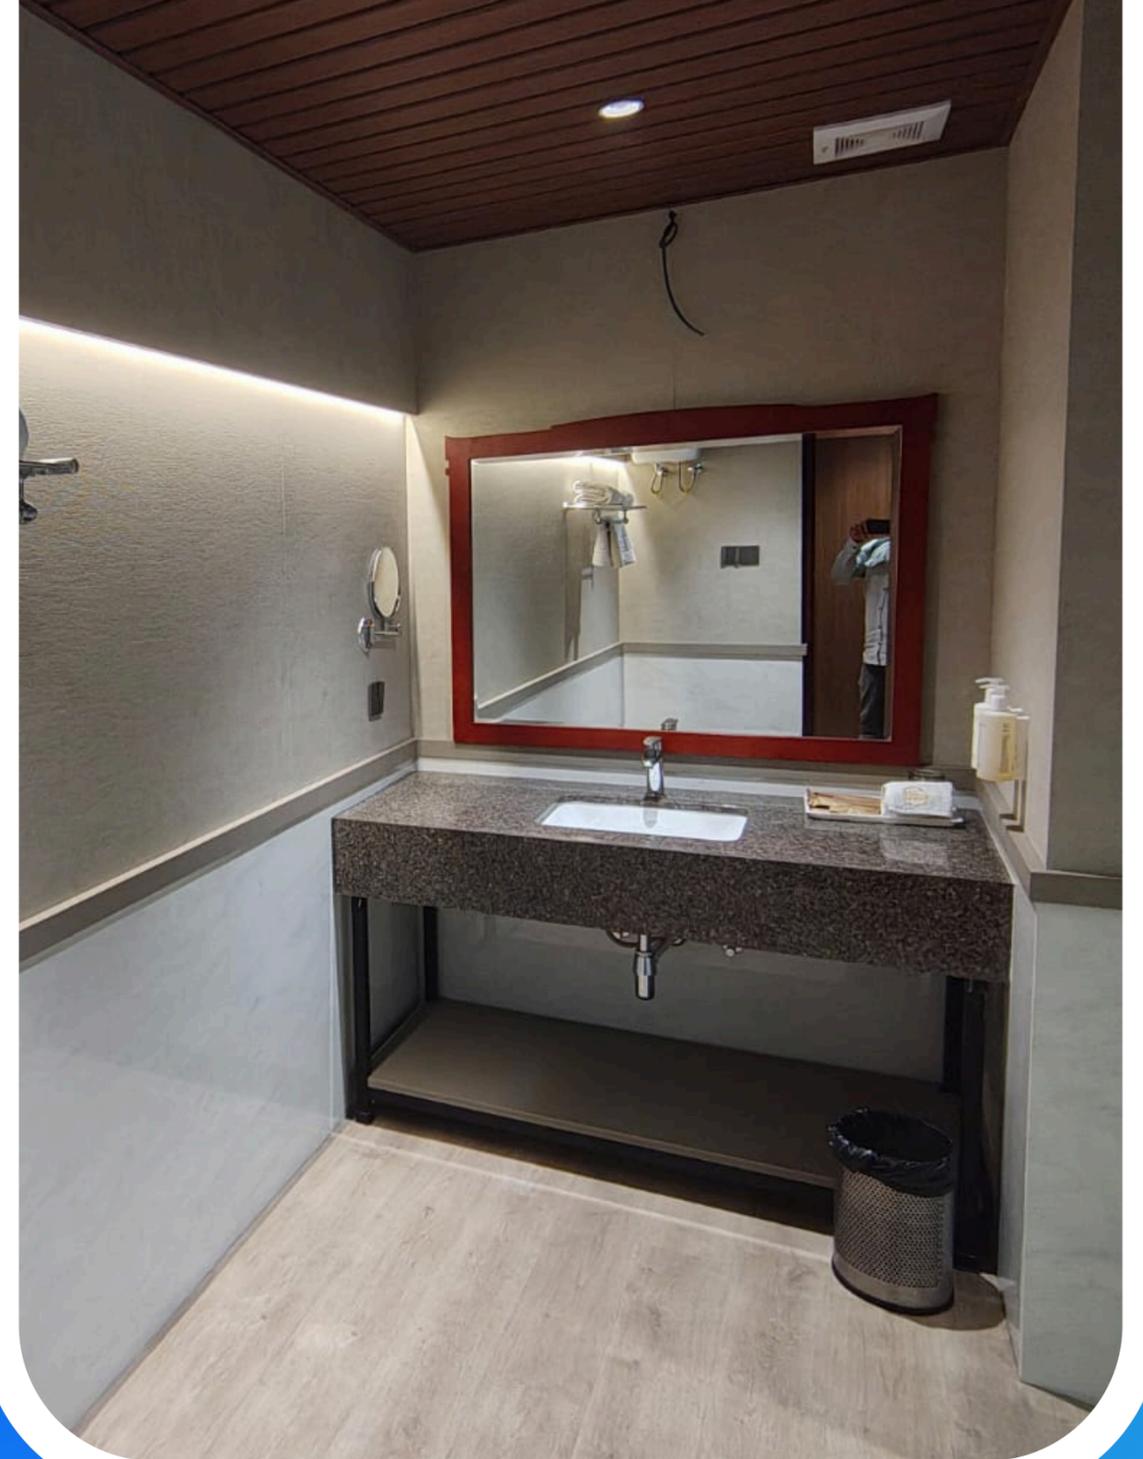

- Smart Design & Engineering
- Turnkey Installation & Commissioning
- Maintenance & Optimization

### **Water Treatment Plants (WTP)**

- Custom Plant Design & Execution
- Turnkey Installations
- Upgrades & Maintenance

### **Sewage Treatment Plants (STP)**

- Compact & Modular Systems
- Urban, Industrial & Commercial Solutions
- O&M with Regulatory Compliance

## Core Services

### Effluent Treatment Plants (ETP)

- Industry-Specific Customization
- Commissioning & Operation
- Long-Term Sustainable Solutions

### Turnkey Plumbing Projects

- Modern Bathroom Installations
- Advanced Fittings & Sanitary Systems
- End-to-End Execution

# Our Clients & Projects

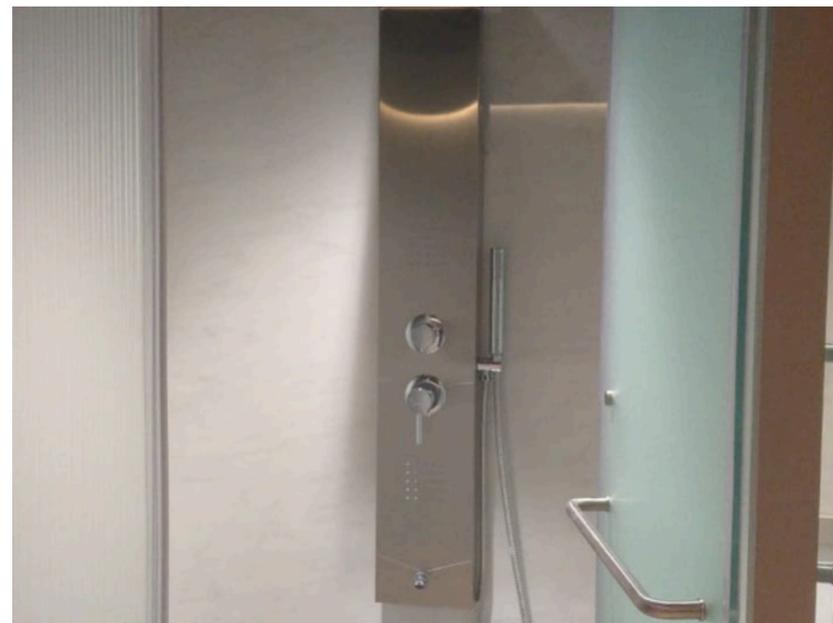

We are proud to have worked with leading brands and organizations:

1. Praveen Awate Architects Pvt Ltd, Mumbai
2. Erecon Spaces Pvt Ltd, Pune
3. Aaryan Enviro, Pune
4. Maruti Lifestyle, Raipur
5. Midas Enviro Ecological Systems, Pune
6. Ram Enterprises, Bangalore

# MARUTI LIFESTYLE

YOUR PRIDE OUR PLEASURE

**Turnkey plumbing project**

At **TASK Engineering Solutions**, we believe every project is more than infrastructure it is an investment in the future. With over 21 years of experience in environmental technology and water systems, I am proud to lead a team that is committed to innovation, sustainability, and client satisfaction.

**Let's build a smarter, sustainable tomorrow — together.**

— **Mr. Subhash H. Kavathekar**  
M.Tech (Environmental Technology), Director

# Why Choose Us?

- ✓ 21+ Years of Expertise
- ✓ End-to-End Engineering Solutions
- ✓ Sustainability-Driven Approach
- ✓ On-Time, Cost-Effective Delivery
- ✓ Trusted by Leading Clients

**“Your Vision, Our Expertise - Together,  
We Build the Future.”**
